UNIFORM SHOP
Open
Every Tuesday & Thursday
8.00am – 11.00am
(Located next to the Canteen)

Co-ordinator - Kerry Lee
Principal’s Report

Appointment of Permanent Deputy Principal

It is with great pleasure that I announce the permanent appointment of Mr Breen Mackney to the position of Deputy Principal.

Over the last 18 months Breen has worked tirelessly in his capacity as relieving Deputy Principal to support our students and staff. I am fortunate to be able to continue working closely with a colleague I hold in such high esteem in our continuous focus on school improvement.

Staff Development Day

Staff worked across the TS High Schools last Monday to continue our focus on engaging students through the effective use of feedback. The TAS and Science sessions were facilitated at TRHS by Breen Mackney and Ian Hayward, who presented some engaging and thought provoking activities. The program for the day was developed by a cross school team which included Kim Taylor from TRHS.

The high level of the workshops developed and presented are a testament to the outstanding quality of staff at Tweed River and across the TS schools and we look forward to implementing activities trialled during the day to enhance your children’s learning experience.

Additional equity funding

Some of you may remember me writing about the school receiving some additional funds for the 2014 school year. These funds are provided to assist the school to enhance educational opportunities and outcomes for Indigenous students and students from low socio-economic backgrounds. Consequently, we have been able to fund a number of new programs to support a diversity of opportunities for our students. I have recently provided a brief outline of some of the projects undertaken to our Parents and Citizens committee and I would like to share this overview with the wider community. While this is not a comprehensive list it does outline some of the additional ways we support student achievement and wellbeing across the school.

Staff were provided with the opportunity to apply for money to fund a particular equity project for the 2014 year. These have included:

1. Funding to ensure pathways to post school options are available to Indigenous students and engagement and connections are maintained. Focus on developing student leadership, improved NAPLAN and HSC results using culturally appropriate programs.
2. Utilising technologies for student engagement through the development of a human powered vehicle. This project develops skills in teamwork and uses literacy and numeracy for a real purpose.
3. Funding to improve engagement through the early identification of students at risk of disengagement, with a particular focus on Stage 4 students.
4. Funding to further develop the use of ICT in Maths, to enhance the introduction of the Australian Curriculum. This project is developing online targeted support for students to access at school and home.
5. Further development of strategies to engage and develop boys in the Year 9 Jumpstart program.
6. Providing an art program for targeted students at risk aimed to assist in their school and community engagement.
7. Provide a mentoring framework to support targeted at risk students to succeed in school.
8. Develop a boot camp style workshop for targeted boys to build teamwork and develop responsibility.
9. Targeted tutorial support for students below national minimum standards in literacy and/or numeracy.
10. Funding to provide teachers to work with primary students in a range of Key Learning Areas to strengthen the links between primary and high school and enhance the transition process as data shows us that student results often decrease during this transition period.
11. We also provide very specific financial support on a needs basis to enable students in need to access educational and extra-curricular opportunities they would otherwise be unable to access.

Outstanding student achievement

This week we will hold our Semester 1 presentation assembly (Thu 24th July from 8.30am) during which we acknowledge outstanding academic achievement for the first half of the year. Please take the opportunity to celebrate the individual achievements of your children at this time. While not everyone can receive an award it is important that we acknowledge the efforts and achievements of all.

Leisa Conroy, Principal

It’s great to see in the time I was away the successes both academic and extracurricular that have occurred. That is not surprising as the staff and students are driven to do well. Unfortunately there are some things that haven’t changed. Uniform!! It will be an issue that I will harp on all the time. Parents, please ensure your daughters are in correct uniform. Boys in general wear the correct uniform other than jumpers but girls persist in wearing the short shorts or the tights. This is not uniform. The shorts must have the school logo.

Year 11 students are in their last Term of Year 11. I am currently checking students who have not addressed Board of Studies letters that have been sent to parents. Students who don’t complete the work will be asked to repeat Year 11. This is serious. Parents please follow up with your child if they are in this situation.

Craig Clement, Deputy Principal

Welcome back to Term 3. This will be a very busy Term for a range of Year groups but particularly Year 12. This is the final opportunity these students have to boost their academic results before the HSC. Final examinations (The Trial) commence on August 6th. In addition to these a number of courses have major HSC examination components due during this Term. Music and Drama performances, Design and Technology, Visual Art and Textiles and Design have Major Projects and bodies of work due for external marking this Term. The Japanese language students have their oral examination in September. The Principal is required to submit to the Board of Studies a list of students who have not met course requirements this year. Students are advised to ensure they have submitted all tasks in their courses and are meeting the requirements with regard to participating in class activities with diligence and sustained effort. Students would be wise to ensure that they attend all available classes held during this Term. Students need to be clear that the last four to six years of schooling may well come to naught if they do not meet the requirements set by the Board of Studies.

Parents are able to support their child ren by going to the Tweed River website and logging onto the school moodle using their child’s login details. The Assessment Calendars for each Stage of schooling at Tweed are shown there which will assist with the juggling of family commitments with parents and students responsibilities towards their schooling. A gentle reminder that students will receive a zero mark for scheduled assessment tasks unless they complete an illness/misadventure form and attach a medical certificate. Festivals, holidays, dropping family at the airport etc. are not acceptable reasons for not submitting or participating in assessment events when they are scheduled.

(Cont’d next page)
**Term 3 Week 3**

**Monday** - Bucket of wedges with salsa, sour cream and cheese $3.50

**Tuesday** - Pasta carbonara or veggo $4.00

**Ed-Vu** - Canteen will be open for dinner, serving curry chicken $5.00, pasta bolognese $5.00 and a variety of burgers and hot foods.

**Wednesday** - Meal Deal - a burger & a small water $5.00

**Thursday** - Mild Chilli beef noodle box or veggo $4.50

**Friday** - Beef lasagne $4.00

**Week 4**

**Monday** - Butter chicken with rice $4.50

**Tuesday** - Fried rice with chicken or veggo $3.00

**Wednesday** - Meal deal - a focaccia & a paddle pop $5.00

**Thursday** - Beef casserole on mashed potato $4.50

**Friday** - Pasta with a tomato, herb and bacon sauce or veggo $4.00
The SRC would like to thank everyone that handed in nomination forms. We wish everyone good luck in the election process.

This Term we have a lot of exciting events coming up such as Ed-Vu, Jeans for Genes Day and 40 Hour Famine. **Ed-Vu** will be held at the school on **Tuesday 29th July**. It is a great night with many amazing performances and faculty information. The SRC will be selling Krispy Kreams on the night.

**Jeans for Genes** is a great day to raise money for the Children’s Medical Research Institute. We ask that students wear their jeans to school on the **1st August** for a gold coin donation. All the money raised will go to the Research Institute foundation. We do ask that only long jeans are to be worn, no shorts.

**40 Hour Famine** is a great cause that the SRC have supported for the last few years. If you are interested in participating please see an SRC member or Mr Wood as soon as possible.

---

**Communicating in the Computer Age Certificate I in Access to Work and Training** Course no: 10443
Study Pattern: 2 days per week Wed & Fri 9 – 2:30pm for 18 weeks

For anyone wanting low level computing & writing skills. Course cost: $25.00.

For more information please contact
Sharyn Lane on 02 6674 7267

---

**English Language Classes**
Study Pattern: Up to 4 mornings per week Mon – Thu.

For people from a Non English speaking background. Course cost: $25.00 part-time or $50.00 full-time

For more information please contact
Sharyn Lane on 02 6674 7267

**Tweed Seagulls Little Athletics 2014/15 Season**
New season to begin mid - September 2014, new and re-registering athletes welcome.

**When:** sign on dates are Sunday 24th and 31st August, 10am-12pm.

**Where:** Walter Pete Oval, Wommin Bay Road, Kingscliff.

**Contact:**
Craig Simpkins 0412 433583 or ttlittleathletics@hotmail.com or [http://www.foxsportspulse.com/assoc_page.cgi?assoc=8065&pID=1](http://www.foxsportspulse.com/assoc_page.cgi?assoc=8065&pID=1)

Tweed Seagulls Little Athletics promoting family, fun and fitness.
The first half of 2014 has been an exciting time for the Tweed River High Marine Studies Program. Some of the highlights include:

- The acquisition of numerous new marine animals. Some of our more popular newcomers include a Wobbegong Shark, a Zebra Moray Eel, a Mud Crab, Blue Swimmer Crabs, giant hermit crabs and more of the ever popular Barramundi.

- The purchase of a new 9.9HP outboard motor for the school’s existing boat as well as the purchase of a larger fibreglass boat complete with a 25HP outboard motor. The new boat is being renovated by the senior classes and it is anticipated that “Jenny”, as she will be named, will be christened and re-launched before the end of this Term.

- Some very enjoyable and educational excursions. So far, both Yr 9 and Yr 10 have had full day snorkelling trips and Yr 9 have also been to Seaworld. A few lucky Yr 9 Marine students were also involved in the ATP North West Island Excursion and came home with some great stories and memories.

- The progression of three of our senior SCUBA divers. Since completing their Open Water SCUBA courses last year, Yr 12 students Emily Ardill and Jacob Bonner have rapidly progressed and will soon join fellow Yr 12 student Matthew Gobel as Master Divers. Each of these students is well on their way to an enjoyable and rewarding career as professional divers.

Our senior classes are currently involved in a major project involving a survey and study of the canal surrounding the school, with the aim of analysing and reporting on its health, as well as assessing its potential impact on the significant and protected seagrass beds south east of Ukerebagh Island. The Yr 10 classes are helping to collect data.

Upcoming events include:

- Yr 10 and Yr 11 Boat Licensing course
- Yr 10 and Yr 11 SCUBA diving course
- Yr 9 Whale Watching excursion
- Yr 10 Cook Island Snorkelling excursion

Michael Betts
Marine Studies teacher
Far North Coast Athletics Carnival
The Far North Coast Athletics Carnival was held on Tuesday 24th June at Walter Peate Oval, Kingscliff. The 50+ students who represented the school did so with fantastic competitiveness and spirit. We had a number of fantastic results, too many to mention all, but here are a few:

- Kayla Harris – FNC Age Champion making it through in 5 events
- Jacquie Soden – once again winning the 3000m, 800m and 1500m
- 17+ Boys 4x100m relay winning with a time of 47.96 seconds
- 12 Girls making North Coast for the 4x100m relay
- Students making North Coast for 3 or more events = Jasmin Mansfield-French, Aprel Player, Chloe Robson and Liam Scanes.

Congratulations to the 18 students who have made it through to the North Coast Athletics Carnival which is going to be held on the 1st August in Coffs Harbour. I would also like to thank the fantastic students who came to volunteer on events on the day and the staff who came to help with the organisation of the carnival; Mr Fugar, Mr Conlon, Mr Miller and Mr Leclere, as well as our team managers Miss Pope and Mrs Gordon. Your help was very much appreciated.

Tweed Valley Term 3
Trials have begun in Week 1 for the Tweed Valley competition which is beginning in Week 3. Information on venues will be put out in Week 2. Information on this will be put into the next newsletter. Please ensure you are aware that the $50 levy must be paid to the Front Office by the end of Week 4 at the latest in order to cover bus fees and uniform requirements.

Open Boys Knockout Touch Football
Tweed River High's Open Boy's touch football team are through to the Top 10 state finals this year. This will be held in Gosford from the 12th to 13th August. The boys and their coach Mr Swaddle are extremely excited to be through to this stage as it is the first time in a number of years that we have reached this stage with the boys. A fantastic effort and good luck in a few weeks' time!

Open Girls Knockout Touch Football
Tweed River High's Open Girl's touch football team are playing a very important game on Wednesday 30th July against Lambton High School from Sydney. A win here will see the girls move through to the Top 10 state finals to be held in Gosford on the 12th and 13th August. Good luck to all of the girls and their coach Mr Swaddle!

NSWCHS Open Boys Touch Football
Tweed River High had a number of boys representing the North Coast at the Opens NSWCHS Touch Football competition in Sydney from Monday 16th to Thursday 19th June. Mr Swaddle was the North Coast coach this year and was also down at the event. The boys won 4 games, lost 4 and drew 1 and ended up equal 6th in the state. What a wonderful achievement. Well done to the following boys who competed: Mitchell Lawrence, Daniel Wilmott, Jesse Curtis, Tim Warren, Andrew Scanes and Shaun Dinsey.

U14 Buckley Shield Rugby League Knockout
Well done to Tweed River’s U14 Buckley Shield team who competed in the knockout competition against Casino High School in Week 10 last Term. The U14 team won their game 22-12 and showed great commitment and determination to win. The team is now through to play in Newcastle from the 24th to 25th of July against West Wallsend High School. Thank you to Mr Wood for coaching the boys and supporting our students.

NSWCHS Cross Country
Good luck to Jacquie Soden and Travis Coleman who are competing in the NSWCHS Cross Country competition on Friday 18th July at Eastern Creek in Sydney. Both students are competing in the 18+ event and we wish them all the best and look forward to hearing how they go!

Open Girls Netball Knockout
On Thursday 24th July Tweed River High School’s Open Netball team will compete in the semi-final of the North Coast knockout competition against Maclean High School. The girls are keen on a win to reach the North Coast Final for the second year running. All the best to the girls!

National Junior Ice Hockey Competition - Ryan Chilton
One of our Year 11 students, Ryan Chilton, has recently represented Queensland at the Junior National Ice Hockey competition in Melbourne. Ryan and his team came away with a bronze medal at the event – what a fantastic achievement! Well done Ryan, we look forward to hearing any more successes in the next year.

Yours in Sport

PCYC Emergency Services Cadet Program.

On 17th June an award ceremony was held to acknowledge ten of our students who had completed the cadet program which introduced them to the work done by volunteers in the Rural Fire Service.

Students were taught some basic fire science, pump operations and hose rolling and the program is a precursor to the basic Bush Firefighter course.

Congratulations to the students involved.

- **BORROWING LIBRARY BOOKS**
  - All students are able to borrow resources from our library
  - Bring your TRHS ID (photo) card when borrowing.
  - New students may use their student timetable until ID card is issued through Front Office
  - Make sure you do not have any outstanding books
  - Loan period – 2 weeks for each resource borrowed (Negotiable)
  - Check date in back of book for due return date
  - Return books close to due date, or, bring books in to be renewed
  - Each A week Wednesday, library overdue notices are placed in each roll group to remind students of loans
  - Letters are issued only after resources are more than 21 school days overdue.
  - Lost or damaged resources will need to be paid for through Front Office
  - Please see Mr Spicer, Mr Whitehead, or, Mrs James if you have any issues in returning resources

Mr Geoff Spicer – Mr Phil Whitehead – Mrs James
The hours are stacking up, holidays, weekends and afternoons...

The HPV Team has been very busy working away to build their vehicle ready for the annual RACQ Technology Challenge on the 13th and 14th September. The team is very pleased to see the vehicle starting to take shape. They are thoroughly enjoying learning about welding, manufacturing production jigs and problem solving. They are also involved in designing their team logo. They can’t wait to start riding the vehicle!

This week the team would like to recognise two sponsors, Coast Cyclery and The Rotary Club of Tweed Heads South. Coast Cyclery Store Manager, Brendan Brooks is kindly donating his time and expertise with setting up the running gear on the vehicle. He was more than willing to support the school to enter in the competition. The Rotary club is also one of our major sponsors, donating a generous $690 to help cover the cost of materials and parts for the vehicle.

Tweed River High School would like to thank Coast Cyclery and The Rotary Club of Tweed Heads South for their kind sponsorship.

For all your cycling, running and triathlon needs head to Coast Cyclery!

Tick eHealth off your parent ‘to do’ list

As a busy parent, juggling the needs of your children with a hundred other tasks, remembering your family’s health information can be a challenge. Registering for an eHealth record is a simple, secure way for you to manage and track your family’s health. With an eHealth record you and your child’s health providers will be able to access their health information when it is needed, even if they get sick in the middle of the night.

 Australians can now choose to register themselves and their children for an eHealth record. The National Personally Controlled Electronic Health (eHealth) Record system, developed by the Australian Government, is an online system designed to make it easier for you to track and manage your children’s healthcare. It provides participating healthcare professionals treating you and your children with better and faster access to your important health information.

Access whenever and wherever you need it

Currently, health records are either paper based or stored in different places and systems so doctors and nurses often have to spend time chasing paperwork. An eHealth record brings together a summary of you and your child’s key medical information, drawn from records already held in different parts of Australia’s healthcare system. Having an eHealth record means you can access your health information online, whenever and wherever you need it. You can also share this information with healthcare professionals you authorise. It won’t matter how many doctors you and your child see; if you give them permission they will all be able to view the same health information.

This means that you or your healthcare professionals will be able to see an up-to-date summary of your child’s medical information straight away, helping your child to get the care they need more quickly.

“Registering was so simple,” said Amanda, mum of two, “I did it online and it only took around 10 minutes. Now I have access to both my children’s eHealth records.” The eHealth record stores key health information such as allergies, current medications, immunisations records, details of recent medical history and any previous adverse reactions to treatments. “It is so useful and one less thing to worry about. Now I know that my children’s medical information is all online and in one place and I can access it at any time”, Amanda said.

Safe and secure

Records are protected by strong security and privacy safeguards to prevent any unauthorised access; so you know that all your family’s health information is safe and secure. You will be able to access you and your child’s records using a secure password and login.

Getting bigger everyday

The eHealth record system is continuing to grow as more healthcare professionals across Australia register and contribute to the system. Medicare Locals are working with health professionals to assist them in being ready to access the eHealth record system and support their patients in adding key medical information into their eHealth records. The Medicare Locals are also out and about, informing the public about the eHealth record system and providing assistance to help people register.

Registration is easy

If your child is under 18, you have parental responsibility for them and they are on your Medicare Card you can register them for an eHealth record. Registration is easy and you can do it in a variety of ways:

- At your next GP appointment ask if they are set up with the facilities to assist you with registering.
- Online by visiting www.ehealth.gov.au
- By phone 1800 723 471
- In person, by visiting your local Medicare Australia Service Centre
- In writing, by completing the registration application form available from Medicare Australia Service Centres or from www.ehealth.gov.au.

For more information visit the eHealth website at www.ehealth.gov.au

PCYC are an accredited provider of the Safer Drivers Course. Guiding young people in the right direction since 1937

The Safer Drivers Course involves two modules:

**Module one:** A three-hour facilitated group discussion on how to manage risks on the road. This will involve a maximum of twelve participants and will be delivered by a facilitator.

**Module two:** A two-hour in-vehicle coaching session to develop low-risk driving strategies. This will involve two participants and a coach. **Course cost:** $140

Participants must have completed 50 hours of actual on-road driving experience to be eligible for the course. Credits gained under the 3 for 1 scheme cannot be included.

Participants who complete the course will receive 20 hours credit recorded in their learner driver log book.

To find your closest club or book into the next available course check out our website:

This year, the Working with Animals Careers Expo is being held on Friday 19th September. We are very proud to be sponsored again by the RSPCA Gold Coast and Hinterland Branch. Please find enclosed your bookings form as well as promotion flyers for you to distribute around the school.

We have invited representatives from different animal fields, including the RSPCA, Department of Primary Industries Sniffer Dog Team, Gold Coast City Council, Universities and TAFES with Animal Related Courses and of course our Currumbin Wildlife Sanctuary Staff.

Aims of the day, to provide:

- realistic information about careers associated with working with animals
- course information and subject guidance
- opportunities to meet individuals already in the field
- workshops based on different organisations and careers

The cost of the event is $5.00 per student for Careers Expo registration including Trade Shows and presentations plus an additional $15 for entry to the Sanctuary. The day will be run as an expo, with the various organisations hosting a careers display in the Village Green area, beside Currumbin Wildlife Sanctuary on the corner of Tomewin and Teemangum Streets. Additionally, careers talks will be held throughout the day.

If the school is unable to attend due to curriculum constraints, please spread the word to your students who show interest in a career working with animals. These students are welcome to turn up on the day without a booking form. We have made this event in the last week of the term in the hope that it will avoid busy term time.

If you have any questions, please don’t hesitate to call / email, otherwise, we look forward to seeing you at our Careers Day!

Regards,

Cait
