The Year 9/10 Girls Touch team travelled to Sydney last week to compete in the NSW All Schools State Finals. They did so with much anticipation and confidence knowing that they had taken out the title 2 years ago in the Year 7/8 competition. The day began as planned with some good wins in the Pool matches and us finishing the top of our pool. Finishing top of the pool matched us up in the first final against last year’s winners, Hills Sports High, widely known as one of the best Touch schools in the state. The girls played strong and showed lots of determination to beat Hills and progress further into the competition. They then defeated Mackellar Girls High and Terrigal Secondary College, making it 8 wins in a row and booking themselves into the Grand Final.

The GF would see them come up against Helensvale from the Gold Coast who had been invited to this year’s carnival. The GF was built as a mini State of Origin with our Girls from the blues side playing the best of the maroon side of the border. It was a tough final as we expected and finished 2-2 at the end of full time taking us into an extra time drop off. Tension was high (and I nearly couldn't watch!!!!!) but the girls triumphed with a try in the corner to Ally Sharp to win the match. Tears were shed (mainly from the coach!!!!) and the girls celebrated being the best Touch team in the state, a title they thoroughly deserved.

‘Congratulations’ is not a word that does justice to what these girls have achieved in the last 3 years. What they have achieved for a small North Coast town and school is amazing and I’m glad they let me be part of it and I am proud of each and every one of them. Special mention must go to Tarryn Aiken who was ‘Player of the Final’ and Olivia Attenborough Doyle, our captain, who played the whole final without a substitution.

I look forward to continuing success with our school Touch program and know that this moment will be cherished by the girls and myself for a very long time.

UP THE TURTLES!!!!!!!

Mr Swadddle
Congratulations to the Tweed River boys who represented the North Coast at the CHS Championships this week. The team went through the carnival only losing one game and placing second before the finals.

They narrowly lost to Hunter in the semi-final and finished third. It was a massive achievement for the boys as the North Coast team has not made the finals since 2000. Congratulations also to Jesse Curtis who was selected in the NSW CHS State team.

Students in 9 English 6 have been learning about the world that Shakespeare lived in.

Putting this knowledge into practice, students designed exciting board games where they could test each other’s knowledge about the living conditions of the Elizabethan world.

Helping them with their designs was Jessica Brown, a student teacher from Griffith University. Jessica has been working with Mr Buchanan and this class for the past six weeks. She has enjoyed her time with these great students.

Tweed River High School actively supports new teachers learning their craft and takes great pride in its new-teacher mentoring program. The Year 9 students from Mr Buchanan’s class wish to thank Ms Brown for her efforts and they wish her the best on her teaching journey.
