Tweed River High School

STUDENT’S CODE OF CONDUCT FOR THE USE OF PERSONAL ELECTRONIC DEVICES
(Examples of Electronic equipment include Mobile Phones, iPod, MP3 Players, Radios, Nintendo etc)

- Electronic equipment brought to school is the responsibility of each individual student. The school cannot and does not accept responsibility for the loss or theft of individual's possessions.
- The only time equipment such as phones can be used is at Recess or Lunch.
- Students may use their phones and Personal Audio Players in classrooms and corridors if it is wet weather at recess and lunch only, but not after the bell has rung to commence class.
- All equipment is to be switched off and put away in school bags before entering school buildings or during lessons. This includes the Library, assemblies, classrooms, corridors, the SEC, sporting fields and the Ag. Plot.
- Students, if they are unsure of their bag's security can ask their teacher to store the equipment for the lesson. The teacher however takes no responsibility for the equipment.
- If a parent or guardian needs to contact a student during class time as a result of an emergency, they are required to call the front office and a message will be sent to the student immediately.
- Students who do not comply with this code, will hand in their phones and/or Personal Audio Player to any teacher upon request. These items will be forwarded to the Deputy Principal. Parents will be asked to collect the equipment.
- Under no circumstances is the use of cameras built into mobile phones acceptable at school.
- Students found taking photographs or recording video or audio with their phone will have their phone confiscated, files deleted and punished for breaking the code.

Consequences of breaking the code

1. The first time this occurs the phone or personal audio player is confiscated and sent to the Deputy Principal and cannot be collected until the end of the day. Students are given a warning by the Deputy Principal.
2. The second time this occurs the phone or Personal Audio Player may be kept for 24 hours by the DP or Principal.
3. Repeat offenders may have the electronic equipment confiscated until such time their parent/guardian is able to attend school to collect these items.

Rules Using Technology in Our School

1. Do not let anyone know your password.
2. Students will lose their rights to any technology in our school if they use the computers inappropriately.
3. This means they must not go to sites deemed inappropriate by the School. You do allow them to play any games on the computer network nor are they to install software on the computers.
4. No discussion will be entered into student suspension from the network. Students will be immediately suspended for 2 weeks pending an investigation. Students could be removed for up to two months.
